To Be Held on May 11, 2022**

This Proxy Statement is being furnished to the shareholders of Mastech Digital, Inc., a Pennsylvania corporation (“Mastech” or the “Company”), in connection with the solicitation by the Board of Directors of the Company (the “Board of Directors” or the “Board”) of proxies to be voted at the Annual Meeting of Shareholders (the “Annual Meeting”) scheduled to be held on Wednesday, May 11, 2022, at 9:00 a.m. Eastern Time, at the Company’s headquarters at 1305 Cherrington Parkway, Building 210, Suite 400 Moon Township, PA, 15108, or at any adjournment or postponement thereof. This Proxy Statement is being mailed to shareholders on or about April 11, 2022.

PURPOSE OF THE MEETING

The specific proposals to be considered and acted upon at the Annual Meeting are summarized in the accompanying Notice of Annual Meeting of Shareholders. The proposals are described in more detail in this Proxy Statement.

VOTING RIGHTS AND SOLICITATION

VOTING

Only holders of record of Mastech common stock, par value \$0.01 per share (“Common Stock”), as of the close of business on March 31, 2022 (the “Record Date”) are entitled to notice of and to vote at the Annual Meeting and any adjournments or postponements thereof. On March 31, 2022, there were 11,572,295 shares of Common Stock outstanding.

The presence in person or by proxy of the shareholders owning at least a majority of the total number of outstanding shares of Common Stock entitled to vote at the Annual Meeting is required to constitute a quorum for the transaction of business at the Annual Meeting. The holders of Common Stock have one vote for each share held by them as of the Record Date. Shareholders may not cumulate votes.

Your shareholder vote is important. Please vote as soon as possible to ensure that your vote is recorded promptly, even if you plan to attend the annual meeting in person. You have three options for submitting your vote before the annual meeting: via the Internet, by phone or by mail. If you have Internet access, we encourage you to record your vote on the Internet. It is convenient, it saves us significant printing and processing costs and your vote is recorded immediately. Internet and telephonic voting will be available until 11:59 p.m. Eastern Time on May 10, 2022. If you hold your shares in your name as a registered holder and not through a bank or brokerage firm, you may submit your vote in person. The vote you cast in person will supersede any previous votes that you submitted, whether by Internet, phone or mail. If you have any questions about submitting your vote, please call our Investor Relations department at (800) 627-8323.

PROXIES

All shares of Common Stock represented by proxies that are properly signed, completed and returned to the Corporate Secretary of the Company at 1305 Cherrington Parkway, Building 210, Suite 400, Moon Township, PA 15108 at or prior to the Annual Meeting will be voted as specified in the proxy. If a proxy is signed and returned but does not provide instructions as to the shareholder's vote, the shares will be voted (a) FOR the election of the Board's nominees to the Board of Directors; and (b) FOR the approval of the advisory (non-binding) proposal on named executive officer compensation. We are not aware of any business for consideration at the Annual Meeting other than as described in the Proxy Statement; however, if matters are properly brought before the Annual Meeting or any adjournment or postponement thereof, then the persons appointed as proxies will have the discretion to vote or act thereon according to their best judgment. A shareholder giving a proxy has the power to revoke it at any time prior to its exercise by delivering to the Corporate Secretary of the Company a written revocation or a duly executed proxy bearing a later date (although no revocation shall be effective until notice thereof has been given to the Corporate Secretary of the Company), or by attendance at the meeting and voting his or her shares in person.

Under Pennsylvania law, proxies marked ABSTAIN are not considered to be cast votes, but they will count for purposes of determining whether there is a quorum and for purposes of determining the voting power and number of shares entitled to vote at the Annual Meeting. As a result, such abstentions will have no effect on the approval of any matter to come before the meeting. Broker non-votes will be counted for purposes of determining whether there is a quorum at the Annual Meeting, but will have no effect on the approval of any matter to come before the meeting.

SOLICITATION OF PROXIES

All costs of solicitation of proxies will be borne by the Company. In addition to solicitations by mail, the Company's directors, officers and regular employees, without additional remuneration, may solicit proxies by telephone, facsimile and personal interviews. Copies of solicitation material will be timely furnished to brokerage houses, fiduciaries and custodians holding shares in their names that are beneficially owned by others so that they may forward this solicitation material to such beneficial owners and the Company will reimburse them for reasonable out-of-pocket expenses in connection with the distribution of proxy solicitation material.

VOTES REQUIRED

The Class II Directors will be elected by a plurality of the votes of shares present and entitled to vote. Accordingly, the nominees who receive the largest number of votes actually cast will be elected.

RECOMMENDATION OF THE BOARD OF DIRECTORS

The Board of Directors unanimously recommends that the shareholders vote FOR the nominees named herein.

PROPOSAL NO. 2

ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

GENERAL

Following the 2019 Annual Meeting of Shareholders, our Board of Directors determined that an advisory vote on named executive officer compensation (commonly referred to as “say-on-pay”) will be held every year until the next time shareholders are required to cast an advisory vote on the frequency of the say-on-pay vote. Accordingly, we are asking our shareholders to cast an advisory vote on named executive officer compensation at this 2022 Annual Meeting of Shareholders, as presented in the Compensation Discussion and Analysis section beginning on page 13 and the compensation tables and associated narrative disclosures beginning on page 20.

Our named executive officer compensation program is designed to attract, motivate and retain our named executive officers, who are critical to our success. The Compensation Committee believes an effective compensation program is one that is designed to recruit and retain executive leadership focused on attaining long-term corporate goals and increasing shareholder value. The Compensation Committee believes that it has taken a responsible approach to compensating our named executive officers.

Please read the Compensation Discussion and Analysis section of this proxy statement as well as the compensation tables and narratives for a more detailed discussion of our executive compensation programs, including information about the fiscal year 2021 compensation of our named executive officers.

We are asking our shareholders to indicate their support for our named executive officer compensation as described in this proxy statement. This proposal gives our shareholders the opportunity to express their views on our named executive officers’ compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we will ask our shareholders to vote “FOR” the following resolution at the Annual Meeting:

“RESOLVED, that the Company’s shareholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company’s proxy statement for the 2022 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission.”

The say-on-pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or our Board. Our Board and our Compensation Committee value the opinions of our shareholders and to the extent there is any significant vote against the named executive officer compensation as disclosed in this proxy statement, we will consider our shareholders’ concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

VOTES REQUIRED

Approval of this proposal requires the affirmative vote of a majority of the votes cast by all shareholders entitled to vote on this proposal.

RECOMMENDATION OF THE BOARD OF DIRECTORS

The Board of Directors recommends a vote “FOR” the approval of the compensation of our named executive officers, as disclosed in this proxy statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission.

BOARD COMMITTEES AND MEETINGS

During 2021, the Board of Directors met eight (8) times. All Board members attended all meetings. The Board of Directors has adopted a policy under which each director is encouraged, but not required, to attend each Annual Meeting of Shareholders. In 2021, all of our directors attended our Annual Meeting of Shareholders by telephone.

The Board of Directors has determined that all current directors, other than Messrs. Wadhvani, Trivedi and Gupta, are independent under both the independence criteria for directors established by NYSE American and the independence criteria adopted by the Board of Directors. The independence criteria adopted by the Board of Directors are set forth in the Company's Corporate Governance Guidelines, which are available on the Company's website at <http://www.mastechdigital.com/corporate-governance> under Investors.

The Company has three standing Committees: an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. Each of these Committees has a written charter approved by the Board of Directors. A copy of each charter can be found on the Company's website at <http://www.mastechdigital.com/corporate-governance> under Investors.

Audit Committee

The Board has an Audit Committee currently consisting of Mr. Watzinger, Ms. Galilee and Mr. Ausura, who is the chair of the Committee. All members of this Committee are "independent directors" under the criteria adopted by the Board of Directors and under applicable NYSE American listing standards. The Board of Directors has determined that Mr. Ausura is an "audit committee financial expert" as defined in the applicable rules of the Securities and Exchange Commission ("SEC"). The Audit Committee's duties include reviewing the Company's financial statements as well as earnings press releases and related information, prior to filing or release, selecting the firm of independent accountants to audit the Company's financial statements, reviewing the scope and results of the independent auditors' activities and the fees proposed and charged for such activities, reviewing the adequacy of internal controls, reviewing the scope and results of internal audit activities, and reporting the results of the Committee's activities to the full Board. The Audit Committee met five (5) times during 2021. All committee members attended all meetings.

Compensation Committee

The Board has a Compensation Committee, currently consisting of Mr. Watzinger, Mr. Ausura and Ms. Galilee, who is the chair of the Committee. Each member of this Committee is an "independent director" under applicable NYSE American listing standards, an "outside director" as defined in section 162(m) of the Code and a "non-employee director" as defined in Rule 16b-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The Compensation Committee is responsible for reviewing and approving matters involving the compensation of non-employee directors and executive officers of the Company, periodically reviewing management development plans, administering the incentive compensation plans, approving public disclosure on compensation matters, and making recommendations to the full Board on these and other compensation matters. The Compensation Committee met three (3) times in 2021. All committee members attended all meetings.

Nominating and Corporate Governance Committee

The Board has a Nominating and Corporate Governance Committee currently consisting of Mr. Ausura, Ms. Galilee and Mr. Watzinger, who is the chair of the Committee. Each member of this Committee is an "independent director" under the criteria adopted by the Board of Directors and under the applicable NYSE American listing standards. The Nominating and Corporate Governance Committee is responsible for recommending to the full Board candidates for election to the Board of Directors and for overseeing and making recommendations to the Board on all corporate governance matters.

The Nominating and Corporate Governance Committee will consider director candidates proposed by shareholders. To recommend a prospective nominee for the Nominating and Corporate Governance Committee's consideration, shareholders should submit the candidate's name and qualifications in writing to John J. Cronin, Jr., Corporate Secretary, Mastech Digital, Inc., 1305 Cherrington Parkway, Building 210, Suite 400, Moon Township, PA 15108. The Company's Articles address the proper submission of a person to be nominated and set forth the proper form for a notice of nomination. Please refer to the "2023 SHAREHOLDER PROPOSALS OR NOMINATIONS" section in this Proxy Statement for a summary of the procedures to request a person(s) to be nominated for election as a director of the Company.

The Nominating and Corporate Governance Committee will consider and evaluate candidates submitted by shareholders in accordance with the procedures set forth in the Company's Nominating and Corporate Governance Committee Charter and Corporate Governance Guidelines in the same manner as if such candidates were submitted by the Board of Directors. The Committee screens all potential candidates in the same manner regardless of the source of the recommendation. This assessment will include consideration of background, skills, needs, diversity, personal characteristics and business experience, as set forth in the Nominating and Corporate Governance Charter. The Board and the Nominating and Corporate Governance Committee believe it is essential that Board members represent diverse backgrounds. The Nominating and Corporate Governance Committee met two (2) times in 2021. All committee members attended all meetings.

Corporate Governance Guidelines

The Board of Directors has adopted a set of Corporate Governance Guidelines, and the Nominating and Corporate Governance Committee is responsible for overseeing the Guidelines and reporting and making recommendations to the Board concerning corporate governance matters. The Corporate Governance Guidelines are posted on the Company's web site at <http://www.mastechdigital.com/corporate-governance> under Investors. This website also includes the Company's Code of Business Conduct & Ethics and Finance Code of Professional Conduct, which were adopted by the Board of Directors. The Code of Business Conduct and Ethics is the Company's code-of-ethics document for all employees and also applies to all directors with regard to their Company-related activities. The Finance Code of Professional Conduct is intended to be the Company's written code-of-ethics under Section 406 of the Sarbanes-Oxley Act of 2002 complying with the standards set forth under Item 406 of Regulation S-K of the Exchange Act.

Anti-Hedging and Insider Trading Policy

Our directors, officers and employees are required to comply with our Insider Trading Policy and are prohibited from engaging in short sales of Company securities. The Company prohibits hedging activity at the Company level, with the exception of cash flow hedges related to foreign currencies and interest rates. These two permissible hedges require strong justification from management and approval by the Company's Board of Directors before any such transactions can be executed.

Board Leadership Structure

The Company's policy as to whether the same person should serve as both the Chief Executive Officer and Chairman is based on the practice which best serves the Company's needs at any particular time. The Board believes that its current leadership structure, with Messrs. Wadhwani and Trivedi serving as Co-Chairmen and Mr. Gupta serving as the President and Chief Executive Officer, is appropriate given each of their respective past business experience.

The Role of the Board in Risk Oversight

In its oversight role, the Board annually reviews the Company's strategic plan, which addresses, among other things, the risks and opportunities facing the Company. The Board also has overall responsibility for

executive officer succession planning and reviews succession plans each year. The Board has delegated certain risk management responsibilities to the Board committees. As part of the responsibilities set forth in its charter, the Audit Committee is responsible for discussing with management the Company's major financial risk exposures and the steps management has taken to monitor and control those exposures, including the Company's risk assessment and risk management policies. The Company's management regularly evaluates these controls, and the Chief Financial Officer periodically reports to the Audit Committee regarding their design and effectiveness. The Compensation Committee is responsible for matters involving the compensation of non-employee directors and executive officers of the Company and the Nominating and Corporate Governance Committee annually reviews the Company's corporate governance guidelines. Each of these committees regularly report to the full Board.

The name of any specific intended Board of Directors recipient should be noted in the communication. The Board of Directors has instructed the Corporate Secretary to forward such correspondence only to the intended recipients; however, the Board of Directors has also instructed the Corporate Secretary, prior to forwarding any correspondence, to review such correspondence and, in his discretion, not to forward certain items if they are deemed of a commercial or frivolous nature or otherwise inappropriate for the Board of Directors' consideration. In such cases, some of those correspondence may be forwarded elsewhere in the Company for review and possible response.

DELINQUENT SECTION 16(A) REPORTS

Section 16(a) of the Exchange Act requires the Company's directors and officers, and persons who own more than 10 percent of a registered class of the Company's equity securities, to file reports of ownership and change in ownership with the SEC and NYSE American. Directors, officers and other 10 percent shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) reports that they file.

Based solely on its review of the copies of such reports and amendments thereto provided to the Company, and written representations and information provided to the Company by the reporting persons, the Company believes that during 2021, with the exception of one Form 4 which was filed late by each Mr. Ausura, Mr. Watzinger and Ms. Galilee in connection with their restricted stock grant dated January 30, 2021 and by Mr. Burton in connection with his stock option grant date February 10, 2021, all section 16(a) reports were timely filed.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

On September 17, 2020, the Company entered into an amended and restated registration rights agreement (the "A&R Registration Rights Agreement") with Ashok Trivedi, in his individual capacity and as trustee of the Ashok K. Trivedi Revocable Trust (the "Trivedi Trust"), Sunil Wadhvani, in his individual capacity and as trustee of The Revocable Declaration of Trust of Sunil Wadhvani (together with the Trivedi Trust, the "Founder Trusts"), and certain affiliates (the "Founder Affiliates") of Messrs. Trivedi and Wadhvani (collectively, the "Holders"). Pursuant to the terms of the A&R Registration Rights Agreement, the Company is required, upon receipt of a written request from a Holder (a "Demand Request"), to use commercially reasonable efforts to prepare and file a registration statement with the Securities and Exchange Commission (the "SEC") within 45 days of receipt of a Demand Request to register the resale of the registrable securities requested to be registered by the requesting Holders and to use commercially reasonable efforts to have such registration statement declared effective within 90 days after it is filed with the SEC. The A&R Registration Rights Agreement also provides the Holders certain piggy-back registration rights for the registrable securities they hold in the event the Company proposes to file certain registration statements with the SEC. The A&R Registration Rights Agreement further provides that in the event a Holder desires to offer and/or sell registrable securities on a block trade or underwritten basis without substantial marketing efforts prior to pricing (a "Block Trade"), the Company will use its reasonable best efforts to facilitate such Block Trade.

During the third quarter of 2021, we purchased cybersecurity software licenses from CrowdStrike, Inc. for \$98,000. Mr. Watzinger is a Board member of CrowdStrike, Inc. The purchase was completed as an arm's length transaction.

COMPENSATION DISCUSSION AND ANALYSIS

The following compensation discussion and analysis summarizes the Company's philosophy and objectives regarding the compensation of its named executive officers, including how the Company determines elements and amounts of executive compensation. The following discussion and analysis should be read in conjunction with the tabular disclosures regarding the compensation of named executive officers for fiscal 2021 and the report of the Compensation Committee of the Board of Directors, which immediately follows below.

Compensation Committee Roles and Responsibilities

The Compensation Committee is responsible for reviewing and approving matters involving the compensation of non-employee directors and executive officers of the Company, as described herein. The Compensation Committee is also responsible for periodically reviewing management development plans, approving public disclosure on compensation matters, making recommendations to the full Board on these and other compensation matters, and administering the Company's Stock Incentive Plan, as amended (the "Plan").

It is the responsibility of the Compensation Committee to ensure that the total compensation paid to such officers is fair, reasonable and competitive. The Compensation Committee is composed entirely of independent directors and functions in accordance with the provisions of the Compensation Committee Charter, which is available on the Company's website at <http://www.mastechdigital.com>, under Investors.

The Compensation Committee has established a framework and compensation philosophy, pursuant to which decisions are made involving the compensation of all executive officers of the Company. This framework ensures that the total compensation paid to such executive officers is fair, reasonable and competitive in the judgment of the Compensation Committee. The Compensation Committee reviews, establishes, and approves all elements of compensation paid to the Chief Executive Officer ("CEO"), the Chief Financial Officer ("CFO") and the Chief Executive of the Data & Analytics business ("D&A Head"). The Compensation Committee has delegated authority to the CEO and the D&A Head to make determinations of appropriate salary and bonus amounts to other Company executives, provided such amounts conform to the framework established by the Compensation Committee. No other executive officers have a role in making executive officer compensation determinations.

Named Executive Officers

The Company's named executive officers for the 2021 fiscal year consisted of Messrs. Gupta, Cronin and Burton. As mentioned above, Mr. Burton resigned his employment with the Company on December 14, 2021.

Compensation Philosophy for Named Executive Officers

The Compensation Committee has adopted a compensation philosophy with respect to the named executive officers that supports the Company's belief that a strong executive management team, comprised of talented individuals in key positions, is critical to the development and growth of our business and to the creation of shareholder value. Accordingly, our executive officer compensation program is designed to attract, motivate and retain high-quality executives by providing total compensation that is performance-based and competitive with the markets and industries in which we compete for talent. A core objective guiding our executive officer compensation program is to emphasize pay-for-performance by linking compensation levels to shareholder value creation. Thus, we provide incentives to advance the interest of shareholders by targeting key financial and

operational objectives for our named executive officers and deliver levels of compensation that are commensurate with the achievement of such performance measurements. Additionally, we provide long-term equity incentive awards to mitigate short-term risk-taking by our executives at the expense of long-term shareholder value. Our goals are:

- to support our business strategy and financial plan by clearly communicating our goals and objectives to executives and by rewarding achievement;
- to create a strong performance alignment with shareholders' interests; and
- to attract and retain highly qualified executive talent.

The Compensation Committee has established a compensation structure to achieve these goals through a combination of three key compensation elements:

- a base salary;
- an annual performance-based cash bonus; and
- grants of equity-based compensation, such as stock options and/or other stock awards, which may be subject to time-based and/or performance-based vesting requirements.

The Compensation Committee believes that this three-prong approach best serves the interests of our shareholders and safeguards against excessive risk-taking by our executives. This approach enables us to meet the requirements of the competitive environment in which we operate, while ensuring that executives are compensated in a manner that advances both the short and long-term interests of our shareholders. Under this program design, compensation for our executive officers involves a high proportion of pay that is "at risk", namely the annual performance-based cash bonus and the value of stock options and/or stock awards.

Opportunities for excessive risk-taking by our executive officers, for short-term financial gain, are limited by the nature of our business. The element of compensation most exposed to self-serving actions by our executive officers is the annual performance-based cash bonus. In establishing specific performance criteria for the Company's executive officers, consideration is given to "trade-off" criteria which would mitigate self-serving actions by any individual executive. Additionally, organizational interaction and formal approval processes make it difficult for self-serving actions to be undertaken by any individual executive. While there is always the opportunity in every organization to manage for the short-term, the Compensation Committee believes that the equity-based component of compensation is a strong deterrent of such action. Based on its annual risk-related review, including the above program structure considerations, the combination of long and short-term programs, and possible compensation-based risks and means by which such risks may be mitigated, including through the operation of internal control structure and oversight, the Compensation Committee has determined that the Company's compensation policies and practices for its employees are not reasonably likely to have a material adverse effect on the Company.

Key Elements of and Factors Affecting Compensation

As discussed above, the three key elements of named executive officer compensation are: (a) base salary; (b) annual performance-based cash bonus; and (c) equity compensation. While each of these elements is discussed separately below, the Compensation Committee does consider and reviews the full compensation package afforded by the Company to its named executive officers. The Compensation Committee also reviews all executive employment contracts and the annual performance-based goals and objectives of our named executive officers.

Compensation Benchmarking

In the professional services industry, industry peers have operational attributes that are very different from Mastech Digital, which makes it challenging to engage in compensation benchmarking. The Company does look

to various third-party reports and projections regarding the staffing industry, such as Staffing Industry Analysts (“SIA”), for general reference in establishing the Company’s annual financial and operational objectives, but generally does not use any specific “benchmark” in making compensation decisions.

In 2021, the Compensation Committee engaged Veritas Executive Compensation Consultants, LLC on a limited basis to help with an internal review of executive compensation to ensure that existing total compensation levels, and the delivery of such, were appropriate and competitive in today’s marketplace. The conclusion of this review suggested that executive cash compensation was in the appropriate range of the benchmark averages. With respect to equity compensation, the Compensation Committee is working on an equity structure that strengthens our ability to attract and retain key talent and at the same time aligns compensation over a multi-year period directly tied with the interests of our shareholders, which is the creation of long-term shareholder value.

Prior to 2021, the Compensation Committee completed an annual informal analysis on the competitive marketplace with respect to the Company’s CEO, CFO and D&A Head. In addition to evaluating peer group compensation data, the Committee considered the performance of these individuals and their additional levels of responsibilities in light of our recent acquisitions. These informal evaluations are approved by the full Board and are factored into the Compensation Committee’s annual compensation changes with respect to our named executive officers.

Base Salaries for Named Executive Officers

The Company provides its named executive officers with a base salary to provide them with a minimum guaranteed compensation level for their services. The CEO, CFO and D&A Head’s base salary is determined by the Compensation Committee by evaluating the responsibilities of the position held, the individual’s experience and, to the extent possible, the competitive marketplace for executive talent. The base salary is intended to be competitive with base salaries paid to comparable officers at peer group companies with similar qualifications, experience and responsibilities.

In setting base salaries for the CEO, CFO and the D&A Head, the Compensation Committee gives consideration to the following:

- the nature and responsibility of the position and, to the extent available, salary norms for persons in similar positions at comparable companies;
- the expertise, experience and effectiveness of the individual executive;
- the competitiveness of the market for the executive’s services; and
- the recommendation of our CEO with respect to the compensation of the CFO and the D&A Head.

The Compensation Committee has delegated the authority to the CEO to make determinations on appropriate base salaries for executive officers of the Company other than the CEO, CFO and the D&A Head provided the amounts are within the framework and philosophy set forth by the Compensation Committee, discussed above.

Annual Bonuses for Named Executive Officers

In addition to a base salary, each named executive officer is eligible for an annual performance-based cash bonus. The Company has chosen to include annual performance-based cash bonuses as a material element in its compensation program. This bonus component is designed to motivate individual and team performance in attaining the current year’s financial plan and business objectives. The Compensation Committee makes final determinations of annual performance-based bonuses for the CEO, CFO and the D&A Head.

In 2021, annual performance-based cash bonuses earned by the Company’s named executive officers were as follows: Mr. Gupta earned \$590,625 or 281% of his “at goal” bonus amount. Mr. Cronin earned \$157,000 or

100% of his “at goal” bonus amount. Mr. Burton was not eligible for the annual performance-based bonus, as he resigned prior to December 31, 2021. The specific performance objectives, achievement of actual results and the corresponding bonus payout applicable to each objective for our named executive officers are listed below:

- (1) Mr. Burton voluntarily terminated his employment with the Company on December 14, 2021 and was therefore not eligible for a 2021 bonus payment.

2021 Base Salary and Bonus Opportunity Increases for Named Executive Officers:

During 2021, our named executive officers received base salary and/or performance-based bonus opportunity increases as detailed below:

- Mr. Gupta’s base annual salary effective in 2020 was not changed in 2021 and his full year 2021 performance-based bonus (“at goal” target amount) decreased by \$50,000 to \$210,000.
- Mr. Cronin’s base annual salary increased effective April 1, 2021 by \$19,000 to \$404,000 and his full year 2021 performance-based bonus (“at goal” target amount) was increased by \$7,000 to \$157,000.
- Mr. Burton’s base annual salary increased effective January 1, 2021 by \$75,000 to \$450,000 and his full year 2021 performance-based bonus (“at goal” target amount) was not changed at \$200,000.

In determining these compensation adjustments, the Compensation Committee considered its informal analysis on the competitive marketplace as further described under the caption “compensation benchmarking”.

Stock Incentive Plan and Awards to Named Executive Officers

The Company’s long-term incentives are in the form of equity awards, such as stock options, stock appreciation rights, restricted or unrestricted stock awards and restricted stock unit “performance share” award grants, in accordance with the Plan. The objective of this compensation element is to align compensation over a multi-year period directly with the interests of our shareholders, by motivating and rewarding actions that create

long-term shareholder value. The Committee believes that this compensation component also provides a strong deterrent from excessive risk-taking to achieve short-term financial rewards.

In determining the size and types of awards to be granted, the Compensation Committee considers an evaluation of competitive factors, including general reference to industry practices, in conjunction with total compensation provided to the named executive officers, the recommendations of the CEO (except with respect to himself), as well as both Company and individual performance levels and the patterns and impact of prior awards.

During 2021, the Company issued the following stock options grants to Mr. Burton.

- Mr. Burton received 160,000 time-based stock options in February 2021. These stock options vest equally on an annual basis over a four-year period beginning on the first anniversary of the February 10, 2021 grant date. Upon the occurrence of a change in control (as defined in the Plan), all outstanding shares would immediately vest and become fully payable. These options were forfeited upon Mr. Burton's resignation in December of 2021.

Further details of the Company's equity awards are set forth in the table entitled "Grants of Plan-Based Awards".

Employment Agreements

Detailed below are the terms and conditions of the employment agreements currently in place for Messrs. Gupta and Cronin.

Mr. Gupta, Mastech Digital Technologies, Inc. and the Company are parties to an employment agreement as amended and restated effective March 20, 2019 and further amended on March 20, 2020, March 10, 2021 and March 9, 2022, which provides for a base salary of \$585,000, effective April 1, 2022 and an annual performance-based bonus with an "at goal" target amount of \$245,000 for fiscal year 2022. Mr. Gupta is also entitled to a pro-rated bonus payment in the year of termination, if performance criteria have been met and if he is terminated by the Company other than for cause.

Mr. Cronin, Mastech Digital Technologies, Inc. and the Company are parties to an employment agreement as amended and restated effective March 20, 2019 and further amended on March 20, 2020, March 10, 2021, March 9, 2022 which provides for a base salary of \$450,000, effective April 1, 2022 and an annual performance-based bonus with an "at goal" target amount of \$160,000 for fiscal year 2022. Mr. Cronin is also eligible for such other benefit programs that the Company and Mastech Digital Technologies, Inc. may introduce from time to time, including participation in the Plan. Mr. Cronin's agreement provides for a one-year severance in an amount equal to 12 months base salary and his annual performance-based bonus "at goal" target amount in the event of termination by the Company other than for cause. In the event of termination by the Company other than for cause or Mr. Cronin's termination for "good reason" within one year following a "change of control", Mr. Cronin

is entitled to (i) 24 months of Company-paid health insurance premiums; and (ii) severance in an amount equal to two (2) times the sum of (A) average annual base salary for the previous three years (including the year of termination); and (B) average annual performance-based bonus received for the previous three years (not including the year of termination); (iii) outplacement reimbursement of up to \$25,000; and (iv) acceleration in full of all outstanding stock options or other equity awards issued pursuant to the Plan. Mr. Cronin is also entitled to a pro-rated bonus payment in the year of termination, if performance criteria have been met and if he is terminated by the Company other than for cause.

Mr. Burton and Mastech InfoTrellis, Inc. were parties to an employment agreement effective January 7, 2019 and amended on March 20, 2020 and further amended on March 10, 2021, which provided for a base salary of \$450,000, effective January 1, 2021, and an annual performance-based bonus with an “at goal” target amount of \$200,000 for fiscal year 2021. Mr. Burton’s agreement provided that he was entitled to severance in the event that he was terminated “without cause” or he resigned for “good reason”. In light of Mr. Burton’s voluntary resignation without good reason, no severance payments were paid or are owed.

Change of Control/Severance Benefits

In addition to the Change of Control/Severance benefits discussed in the “Employment Agreements” section above, outstanding stock options or other equity awards issued pursuant to the Plan, held by the named executive officers, may under certain circumstances vest upon a “Change of Control” of the Company.

The estimated payments to be made by the Company to the named executive officers in the event of a termination as of December 31, 2021, including the continued vesting of equity grants, post termination, are set forth in the Table entitled “Potential Payments Upon Termination or Change in Control” on page 22 of this Proxy Statement.

Other Considerations

Retirement Benefits

Each of the named executive officers is entitled to participate in the Company’s tax-qualified defined contribution 401(k) plan on the same basis as all other eligible employees. Under the terms of the 401(k) plan, as prescribed by the Code, the 401(k) contribution of any participating employee is limited to a maximum percentage of annual pay or a maximum dollar amount (\$19,500 for 2021, subject to a \$6,500 increase for participants who are age 50 or older).

Perquisites

The Company does not have a formal program providing perquisites to its executive officers.

Consideration of Say-On-Pay Advisory Vote

At our 2021 annual meeting of shareholders, approximately 98.06% of our shareholders who voted on the “say-on-pay” advisory proposal approved the compensation we pay to our named executive officers. The Compensation Committee considered the result of this vote in determining the Company’s compensation policies and decisions and believes that the nearly unanimous shareholder vote strongly supports our current compensation philosophy. Therefore, we have not modified our general compensation practices or philosophy in any manner as a result of the 2021 shareholder advisory vote.

Tax Deductibility of Compensation

Prior to the enactment of the Tax Cuts and Jobs Act on December 22, 2017, Section 162(m) of the Code generally provided that the Company could not deduct, for federal income tax purposes, compensation in excess

of \$1,000,000 for any given year paid to its chief executive officer and the other three most highly compensated named executive officers employed at the end of the year (each a “covered executive”) (other than its chief financial officer) except to the extent such excess constituted performance-based compensation. In the course of structuring its compensation policies, the Compensation Committee considers ways to maintain the tax deductibility of executive officer compensation; however, the Compensation Committee retains the discretion to compensate executives in a manner that it deems best suited to our compensation objectives and philosophy.

In general, the Compensation Committee’s previous standard policy was to structure compensation arrangements in a manner that would avoid the deduction limitations of Section 162(m), except where it determined that exceeding these limitations was in the best interests of the Company and its shareholders. The Plan has been structured with the intention that stock options and, generally, performance-based awards granted under the Plan qualify as “performance-based compensation,” which compensation was, prior to the enactment of the Tax Cuts and Jobs Act, generally exempt from the limitations on deduction.

The Tax Cuts and Jobs Act, which was signed into law on December 22, 2017, eliminates the exemption for “performance-based compensation” under Section 162(m) with respect to taxable years beginning after December 31, 2017 and also expands the Section 162(m) limitation to include the Chief Financial Officer and any person who was a covered executive in 2017 or later. By eliminating the “performance-based compensation” exception, effective as of January 1, 2018, we are no longer able to structure executive compensation paid to certain executive officers in excess of \$1,000,000 as “performance-based compensation” under Section 162(m) to preserve the deductibility of that compensation (unless the compensation is provided pursuant to a written binding contract which was in effect on November 2, 2017, and which was not modified in any material respect on or after November 2, 2017). Rather, beginning January 1, 2018, compensation paid to certain executive officers in excess of \$1,000,000 is generally not deductible unless such compensation is pursuant to an award established in a binding contract in effect on November 2, 2017 and not materially modified after such date.

The following Compensation Committee Report is not considered proxy solicitation material and is not deemed filed with the SEC. Notwithstanding anything to the contrary set forth in any of our previous filings made under the Securities Act of 1933, as amended, and under the Exchange Act that might incorporate future filings made by the Company under those statutes, the Compensation Committee Report will not be incorporated by reference into any such prior filings or into any future filings made by the Company under those statutes.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

The following table shows the potential incremental payments and benefits which our named executive officers at December 31, 2021, would be entitled to receive upon termination of employment under their respective agreements. The amounts shown in the table are based on an assumed termination as of December 31, 2021, exclude payments and benefits that are provided on a non-discriminatory basis to our employees generally upon termination of employment and represent estimates of the incremental amounts that would be paid to each executive upon his termination based on base salary, if applicable, the annual performance-based bonus at the “at goal” target amount as of December 31, 2021, and our current premium costs for medical and welfare benefits. In addition, under the terms of our current year annual performance-based plan, our executives would become entitled to a bonus, determined under the plan terms, if they remained employed as of December 31 of the applicable year. As such, we would not consider the current year bonus payable to a named executive officer with a December 31 termination date to be a payment based upon termination, and no such payments have been included in this section. Further, if any of our named executive officers was terminated without cause by the Company during the calendar year, he would become entitled to a pro-rata bonus based upon the period of his employment during the year, with the amount determined based upon actual Company performance and payable when bonuses are generally paid in the following calendar year.

Name	Salary	Annual “At Goal” Performance Bonus	Equity Grants	Healthcare	Total
Vivek Gupta (1)	\$540,000	\$210,000	\$338,320	\$6,123	\$1,094,443
John J. Cronin, Jr. (2)	404,000	157,000	385,900	1,225	948,125

All calculations were estimated based upon a December 31, 2021 termination scenario. The measurement date for the estimated Company equity awards was based upon a closing price of \$17.07 at December 31, 2021.

- (1) Upon termination other than for cause, Mr. Gupta would receive a one (1) year severance totaling \$540,000 paid over 26 bi-weekly periods and his annual performance-based bonus “at goal” target amount. Mr. Gupta would receive continued coverage under the Company’s employee benefit plans (other than 401(k) or pension benefit coverage) in accordance with the Company’s severance policy. Mr. Gupta would continue to vest in outstanding equity grants for a twelve (12) month period from such termination date. Upon termination for any reason, Mr. Gupta would be subject to nondisclosure, noncompetition and non-solicitation agreements for a period of one (1) year after termination. Upon a change in control, Mr. Gupta would be entitled to 24 months of Company-paid healthcare insurance and a severance in an amount equal to two (2) times the sum of his average annual base salary and average annual performance-based bonus received over the previous three-years, outplacement reimbursement of up to \$25,000 and full vesting of all outstanding equity awards issued pursuant to the Plan. If a change of control occurred on December 31, 2021, the total value to Mr. Gupta as described above would total \$1,651,000 in addition to the severance values shown in the above table.
- (2) Upon termination other than for cause, Mr. Cronin would receive a one (1) year severance totaling \$404,000 paid over 26 bi-weekly periods and his annual performance-based bonus “at goal” target amount. Mr. Cronin would receive continued coverage under the Company’s employee benefit plans (other than 401(k) or pension benefit coverage) in accordance with the Company’s severance policy. Mr. Cronin would continue to vest in outstanding equity grants for a twelve (12) month period from such termination date. Upon termination for any reason, Mr. Cronin would be subject to nondisclosure, noncompetition and non-solicitation agreements for a period of one (1) year after termination. Upon a change in control, Mr. Cronin would be entitled to 24 months of Company-paid healthcare insurance and a severance in an amount equal to two (2) times the sum of his average annual base salary and average annual performance-based bonus received over the previous three-years, outplacement reimbursement of up to \$25,000 and full vesting of all outstanding equity awards issued pursuant to the Plan. If a change of control occurred on December 31, 2021, the total value to Mr. Cronin as described above would total \$1,037,000 in addition to the severance values shown in the above table.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

At December 31, 2021, the Compensation Committee consisted of Messrs. Ausura and Watzinger and Ms. Galilee, with Ms. Galilee as chair. No member of this Committee was at any time during the 2021 fiscal year, or at any other time, an officer or employee of the Company, and no member had any relationships with the Company requiring disclosure under Item 404 of Regulation S-K of the Exchange Act. No named executive officer of the Company has served as a director or member of the Compensation Committee (or other Committee serving an equivalent function) of any other entity, one of whose named executive officers served as a director or member of the Compensation Committee of the Company.

REPORT OF THE AUDIT COMMITTEE

This Audit Committee Report shall not be deemed to be “soliciting material” or to be “filed” with the Securities and Exchange Commission nor shall this information be incorporated by reference into any future filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, each as amended, except to the extent that the Company specifically incorporates it by reference into a filing.

The Audit Committee reviews the Company’s financial reporting process on behalf of the Board. In addition, the Audit Committee selects the Company’s independent public accountants. The Company’s management was previously granted authority by the Audit Committee to hire the Company’s audit firm for permissible, non-audit service projects under \$10,000 in fees per engagement and to notify the Audit Committee

at the next regularly scheduled meeting of any such project awarded to the audit firm. Projects expected to be greater than \$10,000 must be pre-approved by the Audit Committee in advance of the commencement of any work.

Management is responsible for the Company's internal controls and the financial reporting process. The independent public accountants are responsible for performing an independent audit of the Company's financial statements in accordance with generally accepted accounting standards and to issue a report thereon. The Audit Committee's responsibility is to oversee these processes.

In this context, the Audit Committee has met and held discussions with management and the independent public accountants. Management represented to the Audit Committee that the Company's financial statements were prepared in accordance with generally accepted accounting principles and the Audit Committee has reviewed and discussed the audited financial statements with management and the independent public accountants. The Audit Committee discussed with the independent public accountants the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board.

During 2021, Company management documented, tested and evaluated the Company's internal control over financial reporting pursuant to the requirements of Section 404 of the Sarbanes-Oxley Act of 2002. The Audit Committee was kept apprised of the Company's progress by management. At the conclusion of this assessment, management provided the Audit Committee with its report on the effectiveness of the Company's evaluation which was included in the Company's Annual Report on Form 10-K for the year ended December 31, 2021. Company management concluded that the Company did maintain effective internal control over financial reporting at December 31, 2021 and that it had remediated the two material weaknesses that were identified in 2020.

In addition, the Audit Committee has discussed with the independent public accountants the auditor's independence from the Company and its management and has received the written disclosures and the letter from the independent accountants required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent public accountants' communications with the Audit Committee concerning independence. The Company paid its independent public accountants \$400,000 for services provided in 2021.

The Audit Committee discussed with the Company's independent public accountants the overall scope and plans for their audits. The Audit Committee meets with the independent public accountants, with and without management present, to discuss the results of their examinations, the evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

Based upon the Audit Committee's discussions with management and independent public accountants and the Committee's review of the representations of management and the report of the independent public accountants to the Audit Committee, the Audit Committee recommended that the Board include the audited financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2021, for filing with the Securities and Exchange Commission.

Respectfully submitted,
The Audit Committee

John Ausura, Chair
Brenda Galilee
Gerhard Watzinger

FORM 10-K

A copy of the Company's Annual Report to Shareholders for the year ended December 31, 2021, as well as the Company's Annual Report on Form 10-K (without exhibits) for the year ended December 31, 2021, as filed with the SEC on March 14, 2022, is being mailed to the shareholders with this Proxy Statement. Exhibits will be provided upon request and payment of an appropriate processing fee.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more shareholders sharing the same address by delivering a single proxy statement and annual report addressed to those shareholders. This process, which is commonly referred to as "householding," potentially means extra convenience for shareholders and cost savings for companies.

This year, a number of brokers with account holders who are Mastech Digital shareholders will be "householding" our proxy materials. A single Annual Report and Proxy Statement will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker that they will be "householding" communications to your

address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate Proxy Statement and Annual Report, you may:

- if you are a shareholder of record, direct your written request to our Corporate Secretary by e-mail to *mhhsecretary@mastechdigital.com*, or by fax to 412-291-3350 or by mail to Mr. John J. Cronin, Jr., Corporate Secretary, Mastech Digital, Inc., 1305 Cherrington Parkway, Building 210, Suite 400, Moon Township, PA 15108; or
- if you are not a shareholder of record, notify your broker.

We will promptly deliver, upon request to the Mastech Digital e-mail, fax number or address listed above, a separate copy of the annual report and Proxy Statement to a shareholder at a shared address to which a single copy of the documents was delivered. If you currently receive multiple copies of the Proxy Statement at your address and would like to request “householding” of these communications, please contact your broker if you are not a shareholder of record; or contact our Corporate Secretary if you are a shareholder of record, using the contact information above.

WHERE YOU CAN FIND MORE INFORMATION
