SAFE HARBOR DISCLOSURE

Certain statements contained in this presentation are forward-looking statements based on management's expectations, estimates, projections and assumptions. Words such as "expects," "anticipates," "plans," "believes," "scheduled," "estimates" and variations of these words and similar expressions are intended to identify forward-looking statements, which include but are not limited to projections of revenues, earnings, and cash flow. These statements are based on information currently available to the Company and it assumes no obligation to update the forward-looking statements as circumstances change. These statements are not guarantee of future performance and involve certain risks and uncertainties, which are difficult to predict. Therefore, actual future results and trends may differ materially from what is forecast in forward-looking statements due to a variety of factors, including, without limitation, the level of market demand for its services, the highly competitive market for the types of services offered by the company, the impact of competitive factors on profit margins, market conditions that could cause the Company's customers to reduce their spending for its services, and the company's ability to create, acquire and build new lines of business, to attract and retain qualified personnel, reduce costs and conserve cash, and other risks that are described in more detail in the company's filings with the Securities and Exchange Commission including its Form 10-K for the year ended December 31, 2018.

- ✦ Sequential quarterly revenue growth of 6%
- ✦ YOY gross margin expansion of 10-basis points to 21.5%
- ✦ Sequential quarterly gross margin expansion of 70-basis points
- ✦ Activity levels continued strong, as we grew Digital Staffing
- ✦ Substantial investments have muted earnings in the short-term

4. COMPELLING OVERALL VALUE ATTRIBUTES

INVESTOR VALUE PROPOSITION

- ✦ Low valuation of MHH at present (Upside?)

- ✦ Our Data & Analytics business delivered record revenues in Q2-2019. Poised for growth and scale. This high-margin segment is improving overall gross margin (%) for MHH

- ✦ Our IT Staffing business consistently outperforming industry growth rate (of 3-4%)
 - H1 2019 = 8%; 2018 = 11%; 2017 = 5%; 2016 = 7%; 2015 = 9%;

- ✦ Data & Analytics is a high-growth industry in which customer spend is non-discretionary

- ✦ IT staffing industry is growing steadily with increasing demand for Digital technologies

- ✦ MHH today is wired for scale. We have already made significant investments to support expected growth
